PRIVATE LESSONS

I have various sessions available during the day if you would like a private lesson at any point. Maybe you would like to brush up on a particular step, or recap one of the sequence dances - or maybe you just want to practise what you already know. If you do, then please come to see me for details. I would also like to remind you that unfortunately I will need to charge 50% of the cost of any private lesson cancelled with less than 24 hours notice.

KEEP IN TOUCH

Strictly starts with the Launch show on 7th September. Let us all know what you think of the line up of contestants and how they are performing via our Facebook page. Also if you see any choreography you fancy learning - I understand Bollywood may be making an appearance this year.

I think that is everything for now. As always, if you have any news, please let me know and I will include it in the next Newsletter.

Keeee-p dancing!
